

Psychology Service: Patient Experience Survey

**If you use our Psychology Service at NHS
Golden Jubilee, we want to hear from you.**

To make sure we are constantly offering the highest possible standard of care for our patients, both now and in the future, we are asking patients of our Psychology Service to complete a short, anonymous, questionnaire about your experience with us.

Your responses are completely anonymous, confidential and the survey should only take a couple of minutes to complete. For further information or assistance, please email:
