## Some words of hope

There are many things we do not know and so many things we cannot understand. For those who have a faith in God, encouragement may be found in the scriptures of all faiths, eg Jews, Christians, Muslims and Sikhs.

“God is our refuge and strength,  
always ready to help in times of trouble.”

“I will never leave you or forsake you.  
I will strengthen you and uphold you.”

“It is in the remembrance  
of Allah that hearts find rest.”

“Sing the praises of God and  
keep love for him in your heart,  
Then you will obtain joy in your  
mind and throw away your pain.”

### A Celtic blessing

Deep peace of the running wave to you  
Deep peace of the flowing air to you  
Deep peace of the quiet earth to you  
Deep peace of the shining stars to you  
Deep peace of the gentle night to you  
Moon and stars pour their  
healing light on you  
Deep peace of the light  
of the world to you  
Deep peace be upon you  
for ever more.

## Spiritual and Pastoral Care

# Chaplaincy

Information for patients, relatives,  
carers, visitors and staff members

Sometimes we all need to  
reach out and touch someone.

Spiritual care is about providing an opportunity for sharing our concerns, celebrating our good times and finding strength to help us through the difficult times.

We seek to offer a listening ear and to give encouragement to everyone, regardless of religion, belief or life-stance.

Whatever your faith or philosophy,  
spiritual care is here for **you!**

## What do we provide?

The Spiritual Care Centre is situated on the main corridor on the ground floor, between the hotel and the hospital. It includes:

- The **sanctuary** where people of all faiths can sit quietly to think or pray.
- The **quiet room** for privacy or small groups and for those who wish to avoid religious allusions.
- The **prayer room** for Muslims, etc. (with ablution facilities)
- The **reception area** for those who just want to sit and chat.
- A **library** with copies of the sacred texts and inspirational literature from all major world religions, as well as non-religious poetry and a selection of other books and magazines.
- An **information centre** with details of local centres of worship and other places of interest.
- The **Chaplain's office**, where you can arrange for a bedside visit from a member of the Spiritual Care Team or seek additional support.

A copy of the New Testament and Psalms is provided beside each bed, courtesy of Gideons International. If you would like to borrow a copy of a different sacred text or other book, please let us know.

## We are here to help!

- You may have worries about home, family or work.
- You may be unsure about the future or have doubts about the past.
- You may be asking some of the big questions of life:  
“Why is this happening to me?”  
“What is it all about?”

A member of the Spiritual Care Team is available to spend time with you, whether you are a patient, a relative or friend, or a member of staff.

If faith is important to you, then we can support you in prayer and scripture reading and also share the sacraments with you, if you feel this would be helpful.

If you wish, we can also contact a member of your own faith group or philosophy to provide you with the support you need.

## Prayer requests

Please write your request in our prayer book, which can be found in the Spiritual Care Centre.
